*Compliments  
of the  
Class of '61*

# The Hawk

"Willie: Its really been  
fun in English. I really  
think you gave N.C.C. H.S.  
more life. Althau I have  
said I cant stand you  
I'll tell the truth you are  
one of the sweetest person's  
I've met. Good luck in any  
thing you do. Keep a cool  
head and you won't have nothing  
but good luck. Dont forget I was  
your friend in school and would  
like to remain one. May God bless  
you always  
Marilynn Rose Jackson  
North Chicago Community High School

P.S.  
I forgot about  
the way we use  
to act in lunch.  
But it was all  
in fun. Dont for get to let me  
know when and where and why  
when you get marriage. Remember  
me.

Presents the 1961 Hawk

Edited by Carol Kozina and Christine Hodge

## *A Chapter of Life*

With the ending of each school year, we find ourselves at the close of another chapter in life's book. As we come to the last few pages of this chapter, something urges us to hesitate, and relive, if only for a few seconds, the wonderful memories that we have gathered. As you look over the pages of the 1961 Hawk, simultaneously, you will relive a special chapter in your life. Now and in the future, this Hawk will serve as your greatest supplement to the chapter in life's book: "School Year 1960-61."

## To the Class of '61

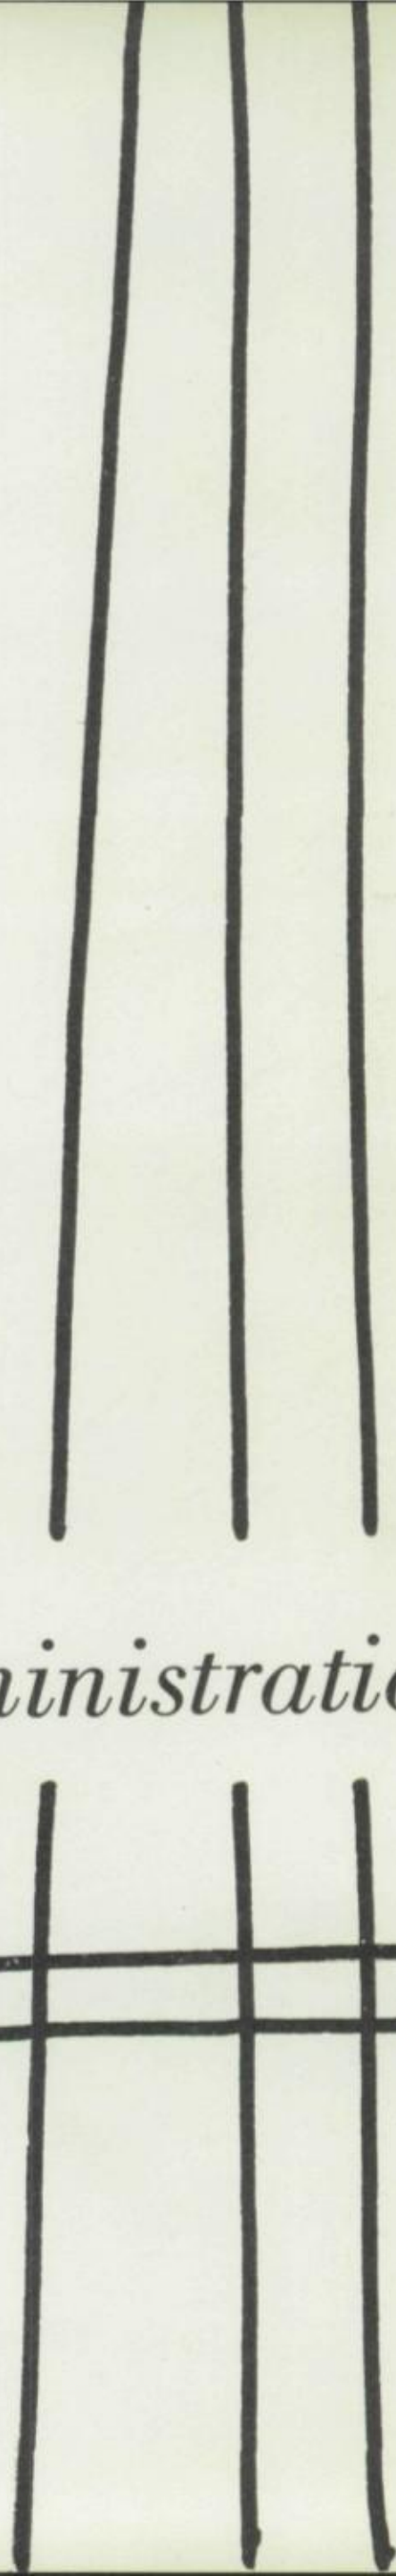

The staff, administration, and school board through its adopted school philosophy recognizes that experiences which interest and challenge boys and girls create a good environment for learning. Living and learning at school, whether it be through the strictly academic or the extracurricular program of the school, should be designed to help the child to think and act better outside of school and on into adult life.

Just how well we accomplished our job will be judged on how well you and other graduates face the problems in the future. To the class of 1961, we offer our sincere congratulations and best wishes. May your school always be as proud of you as we are at commencement time.

The class of '61 of North Chicago High School now has four wonderful years to look back on. With this foundation we can look to the future with confidence. As Freshmen we entered the big wonderful world of high school to find that it meant work and more work. When we became adjusted Sophomores, we knew high school could offer loads of fun. Last year, our fabulous Junior year, we experienced a whirl of dances, studies, crowded halls, friendly "hellos," and many awards. Now that this year has come to a close, we dignified Seniors know that we have left many impressions on the school and underclassmen. And so, it is to these underclassmen that we want to sincerely wish good luck in the years to come!

# Juniors

Left to Right: David Pearson, President; Betty Daniels, Secretary; Barb Stanczak, Vice-President; Regina Markunas, Junior Prom Chairman; Besty Vlack, Treasurer; Mr. Brolley and Mr. Curtis, Sponsors.

The days of our Junior year passed quickly, bringing it to an inevitable close. But this does not mean that our memories will be forgotten.

Our first year at N.C.C.H.S. was one of bewilderment and uncertainty. As Freshmen, we were not acquainted with the ways of high school and had to accustom ourselves to the longer hours of homework and the new courses. When we became Sophomores, the work was naturally harder, but we now knew how to master it. This gave us a chance to enter the social world and all the interesting activities. We knew that soon we would step into the world of sophisticated upper-classmen.

The Junior Prom was our biggest project of the year. The gay laughter, beautiful decorations, and enchanting music will always have a special place among those many memories we have shared throughout our best year of high school.

## *Sophomores*

In September the Sophomore Class began their projects in promoting school spirit, collecting dues, working on concessions, school dances, and other fulfilling activities. With their Junior Prom coming up next year, all the pennies, dimes, quarters, and nickels are being earned and saved for that big event. Although two long and hard years still remain, the officers, as well as the class of '63, are doing their best to make their class one of the best in the school.

STANDING: Mr. Mueller, Sponsor; Priscilla Noe, Treasurer.  
SEATED, L. to R.: Jim Jenkins, President; Gerald Draper, Vice-President; and Pat Sanstad, Secretary.

SEATED: Joan Pierce, Treasurer; Pete Bioletto, President. STANDING, L. to R.: Mr. Barr, Sponsor Mr. Wallace, Sponsor; Pam Harman, Secretary; Sandra Levak, Vice-President.

Joyous, anxious, and full of wonder, we, the Freshman Class of '64, entered N.C.C.H.S. to start our fabulous high school life. We were suddenly confronted with new responsibilities, harder courses, and the whirl of the social world. Bursting with ambition, we entered in the many school activities and supported our athletic teams with rousing spirit.

Our class records show the great enthusiasm and effort of our class members. During the coming years, our class will enter into many projects, and we can be sure that with our start this year, we will always be successful.

## PEPPERS CLUB

Peppers is an organization comprised of school spirited students who would like to see that spirit transferred to everyone who attends N.C.C.H.S. This year something new was innovated by the club. Anyone wishing to join the club had to submit a petition signed by two of his or her teachers affirming his or her willingness to work. The petition also contained a statement by the student telling the club why he wanted to be a part of the organization. In this way the club was assured that PEPPERS would truly be comprised of only true representatives of N.C.C.H.S.

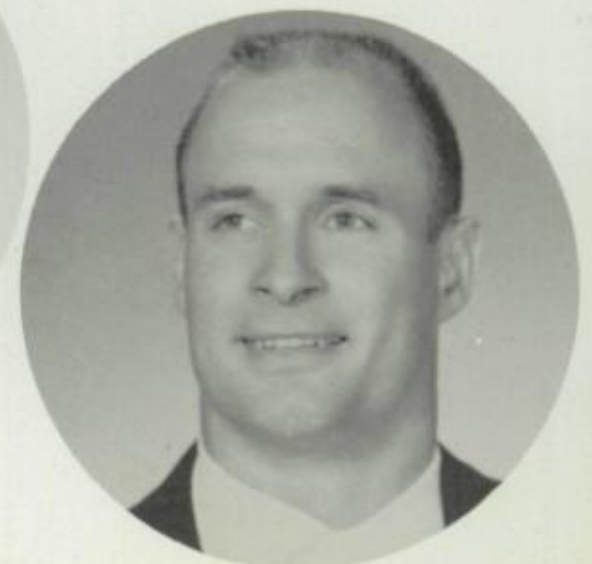

The main function of PEPPERS is to booster attendance at all athletic events. All out-of-town busses were supplied by the club. In order to diminish the cost of the busses, a number of fund-raising projects were undertaken. Warhawk buttons were sold to all those who attended games. A telegraph booth was the responsibility of PEPPERS at the Athena Carnival. Coat check at the home games, concessions, and an after game dance were also held by PEPPERS. Most of all PEPPERS supported our wonderful school.

# Diversified Occupations

Diversified Occupations is a vocational education program which includes a wide variety of occupations in trade and industries.

It is a cooperative effort in which business and industry join with the school in providing a program fitted to the needs of the student in preparation for entry into his chosen life work.

## Distributive Education

D. E. CLUB, Left to right: Pat Skarbalus, Dick Sheluga, Bill Jones, Steve Dalbke, Leroy Benson, George Tomasiewicz, Kathy Cloe, Mr. Harrison, Claude Myers.

The D.E. Club has been very busy this year. They opened the paperback bookstore in addition to the Hawk Supply Store. The purpose of the bookstore is to encourage the reading of better books among our students. The profits from the bookstore go to our scholarship fund.

The D.E. Club has been wanting a show-card sign machine in order to improve practice displays with neat signs. The club purchased a machine which will be paid for through the sale of signs.

The D.E. Club attended the Area Leadership Conference at Arlington Heights and sent four delegates to the State Conference at Springfield.

D. E. sign machine used to make signs for displays in class work.

The Office Occupations Club participated in the O. O. Area Leadership Conference at Arlington Heights. The club sent three delegates to the State Leadership Conference at Springfield. The club was in charge of all displays at the conference.

The O. O. Club, in cooperation with D.E. and O.O., held their Annual Employer-Employee Banquet. This dinner was given for the "bosses" in appreciation of the training given this group of students on-the-job during the year.
